Dear Mary:

Listen, the phantom of the State Department was also glad that I was finally legalized in my appointment. You were so great to write such a generous note. I really appreciate it.

I keep hearing splendid things about what you all are doing at ACTION ... what a renovation! People are feeling so encouraged that at last it will have an opportunity to meet its promise.

Good luck, in that endeavor. It means a lot to many people, and it's nice to know that those at the top there are conscious of it.

Love,

Patricia M. Derian  
Coordinator for Human Rights  
and Humanitarian Affairs

P.S.: Loved seeing you all last night.

Mr. Mary E. King,  
Deputy Director,  
ACTION,  
Washington, D. C.
